HOW MUCH DO YOU SUPPOSE WE MAKE?
A great lot of talk about Middlemen's profits leads us to say this to you—
It has always been and will be always our policy to maintain prices that will give every customer benefit out of our low cost of running this store.
The more we sell, the lower the cost per piece. Hence the lower the price to you.
A small sized margin above operating expenses goes into our profits, but that margin is small. We try always to keep a class of goods, some of your confidence in us, and to sell them at a price that merits that confidence.
Please come in—look around—compare.

CLEAN-UP WEEK BEGINS JUNE 3rd
City Beautiful Committee Votes For Work in Which Every Citizen Can Join—Plans to be Announced—Sub-Committees Outline Work in Various Other Lines.

Norwich is to have a clean-up week on the first week in June, according to a vote passed at a general meeting of the City Beautiful committee of the Board of Aldermen, held on Wednesday evening at the home of Chairman O. L. Johnson on Union street. Just how the clean-up work will be carried out was not made known, but it is expected that plans will be formulated and announced so that citizens of every class and size shall unite in a concentrated effort to give the city and town a thorough cleaning up.

The carrying out of the plan was left to the chairman of the different sub-committees in co-operation with the publicity committee.

Elected a Treasurer.
At the general meeting at Mr. Johnson's home the various sub-committees were well represented when Chairman Johnson called the gathering to order. Charles W. Tyler, chairman, was secretary and was later elected treasurer also.

Membership Fees Fixed.
After discussion on various points by James L. Case, Mrs. O. L. Johnson, Mr. O. Smith, Frank H. Allen and others pertaining to the matter of badges, membership fees, etc., the following was adopted: For adults, \$1.00; for children, 50 cents; for adults and children, \$1.50.

Rese Favored as an Emblem.
Charles R. Butts and Mrs. E. Rogers spoke of an appropriate design for badge or button, a race appearing to suit the taste of the present.

Mr. Johnson, the chairman, reminded the meeting of the desire and necessity of having a clean-up week, and of the complete accord and co-operation with all the city officials. This sentiment was warmly received.

Reports from the chairmen of the different committees were then heard—
Mrs. Robert W. Perkins presenting a report of the committee on trees and parks, which is to work in harmony with the Horticultural society, Playgrounds and the Parks and Recreation committee.

Mrs. Perkins, Miss Ella P. Norton and General Allen reported very favorable progress on the part of the committee on trees and parks, which the committee has had the valuable aid of William C. Gilman, the secretary of the Horticultural society.

he expected Irving to have all there was when he was gone.
When Mayor Thayer, as counsel for the plaintiff, rested, Attorney D. G. Perkins, for the defense, called Carl W. Brody, Henry H. Johnson and John H. Perkins, from three Norwich savings banks, to testify to deposits the elder Burton had.
Witnesses who followed were Frank H. Burton, Albert Ray Burton, Anna Austin Burton, Alma Austin, John Welch and Emily Meyer, who were put on the stand, their testimony being contradictory of the statements of other witnesses as to the elder Burton's wish to leave all he had to Irving.
Shortly after noon both sides rested and the court took a recess.
The amounts were taken up at 1.30, when court came in, and were concluded about 3.30. Attorney C. V. James made the opening argument, followed by Allyn, Brody and Donahue. Perkins, the concluding argument, was by Mayor Thayer. The judge took the papers.
The amount of the estate involved is \$3,567, and no division has been made yet.

Streets Need Much Attention.
Chairman Shepard B. Palmer reported for the committee on streets and in a discussion in which L. O. Smith, Charles R. Butts and General Allen participated, it was brought out that the general opinion was that the streets generally needed much attention.

Supplies Missing Name.
Dwight Tracy helps read Snoot's Committee to Middle Name of Name of Norwich.

Through an application made to Dwight Tracy, who is a well known lawyer on geological matters relating to the Tracy family, and is now visiting here, a missing detail for the new edition of the official congressional directory will be furnished regarding Phineas L. Tracy, a native of this city, who was a member of the Twenty-third congress, elected from New York state.

Mr. Tracy has just received the inquiry from the congressional directory, of which Reed Snoot is chairman. Congressman Tracy's middle name was missing, but Mr. Tracy was able to learn and convey that the full name was Phineas Lyman Tracy.

Mr. Tracy made further search this week to find whether the congressman was ever admitted to the bar here, but found that he was not.

Phineas Lyman Tracy was the son of Dr. Phineas Tracy and was born in a house at Norwich Town and probably attended school at the little Red school in the neighborhood of the old Phineas Tracy, who was a celebrated lawyer of those days, it is probable that he studied law in the office of his father after his graduation from Yale.

What the Congressional Biographical Directory will show is that Phineas Lyman Tracy was born at Norwich, Conn., December 28, 1786; graduated from Yale college in 1806; studied law in the office of his father, Phineas L. Tracy, in 1812; elected a representative from New York to the Twentieth, Twenty-first and Twenty-second congresses; a democrat; appointed presiding judge of Genesee county, N. Y., in 1841, and continued in that office until 1846, when he retired from professional life; died at Batavia, N. Y., December 23, 1876.

Twenty-Fifth Anniversary.
Class of 1887 at Academy Will Hold Its Celebration Probably June 19.

A meeting of the members of the class of '87, N. P. A., was held at the home of Mrs. E. A. Walker of Washington street Tuesday evening. The meeting was called for the purpose of making suitable arrangements for the observance of the 25th anniversary of the class.

George A. Kepler was selected to act as chairman of the arrangement committee. The invitation committee was appointed and is composed of the following members: Miss Mary Lucas, who was valedictorian of the class; Mrs. Walker, treasurer of the class, and E. Allen Bidwell. The entertainment committee includes Mrs. W. S. Allen, Mrs. William H. Allen, Mrs. Augustus T. Young, and Mrs. Frederick S. Young. It is expected that the celebration will be held June 19th at the home of Mrs. Walker, and probably many will attend from out of town. The only reunion that has been held by this class was the 10th anniversary.

Plans are also being made to celebrate the anniversary of the class of 1887. Miss Louise C. Howe has charge of the arrangements. The former president of the class, Charles G. Hyde, who is now president of the University of California, Berkeley, will be at his former Norwich home in June.

PUPILS EXHIBIT WORK.
Five Schools of Central District Show Excellent Results for the Year.

Superlative excellence was the predominant opinion expressed by the members of the board of education, who visited the display of the work of the five schools of the central district, from 7 to 10 o'clock Wednesday evening on the main floor of the Broadway school building, and the public was justified in the verdict that the schools were filled with parents and friends, and all were impressed with the high quality of the work. Each school has a group of the five schools—Broadway, Broad street, Bowdoin Avenue, Hobart Avenue, and the Central school.

On the stairs leading to the second floor of the building were banked palms and potted plants, adding to the attraction of the display.
